### Are You Seeing "Green" in This Environment?

Experience double digit sales growth and watch your liner sales thrive with an Earthsense Commercial Green Can Liner Program.

There is no doubt that demand is up for green cleaning products and based on recent government actions against other green claims\*, recycled content trash liners may be the only truly green liner option.

Earthsense is proud to be the first third-party certified can liner. Each liner is certified to contain 75% recycled plastic (10% Post Consumer).

Webster Industries is proud to recycle  
tens of millions of pounds of plastic annually.

#### 10,000,000 Pounds of Recycled Plastic =

- A reduction of 12,341 metric tons of CO<sub>2</sub> greenhouse gas emissions.
- Is the equivalent of taking 2,671 cars off the road annually.
- Saves 2,857,496 gallons of gas.
- Eliminates 15,000 cubic yards of trash from entering landfills.
- Makes one tough liner.

This all adds up to one outstanding liner  
and greater sustainability.
